**Technical Sessions:** Time designated for traditional Break-Out Sessions ~and/or~ technical sessions of your choice.

1. Select one Technical Session from the list in your registration package for each 30-minute time block.

2. If your MAJCOM and/or Functional Area (CE, LG, JA, etc) uses that time as your required session.

**NOTE: All personnel will be in a classroom attending a technical session or break-out session until 1700 hrs.**
